Written instructions can be found at Green-Coursehub following this link. <https://www.green-coursehub.com/tetra-flexagon.html>

Swiss Cross Flexagon:

A Few Flexagons, by Byopia Press. <https://byopiapress.wordpress.com/2022/01/02/a-few-flexagons/>. Great article with photos of several Swiss Crosses and how-to directions.

Suggested books:

Magic Books & Paper Toys, Esther K. Smith (soooo much paper joy in this one book!)

Secret Compartments & Hidden Messages, Shereen LaPlantz (my first exposure to the flexagon world)

The Secret World of Flexagons, Scott Sherman, Yossi Elran, and Ann Schwartz (VERY in-depth coverage!)

Fantastic Flexagons, Nick Robinson (fun for kids of all ages — pre-printed paper ready to cut and fold)
